Pro Series Wall Cabinet

A great organizational solution for a garage work area, or any other part of the house. The CrownWall® Pro Series wall cabinet can be used over a work bench, as overhead storage in a garage, or to compliment an 8' x 4' panel kit. One cabinet measures 20" in height, 24" in width, and 14" in depth.

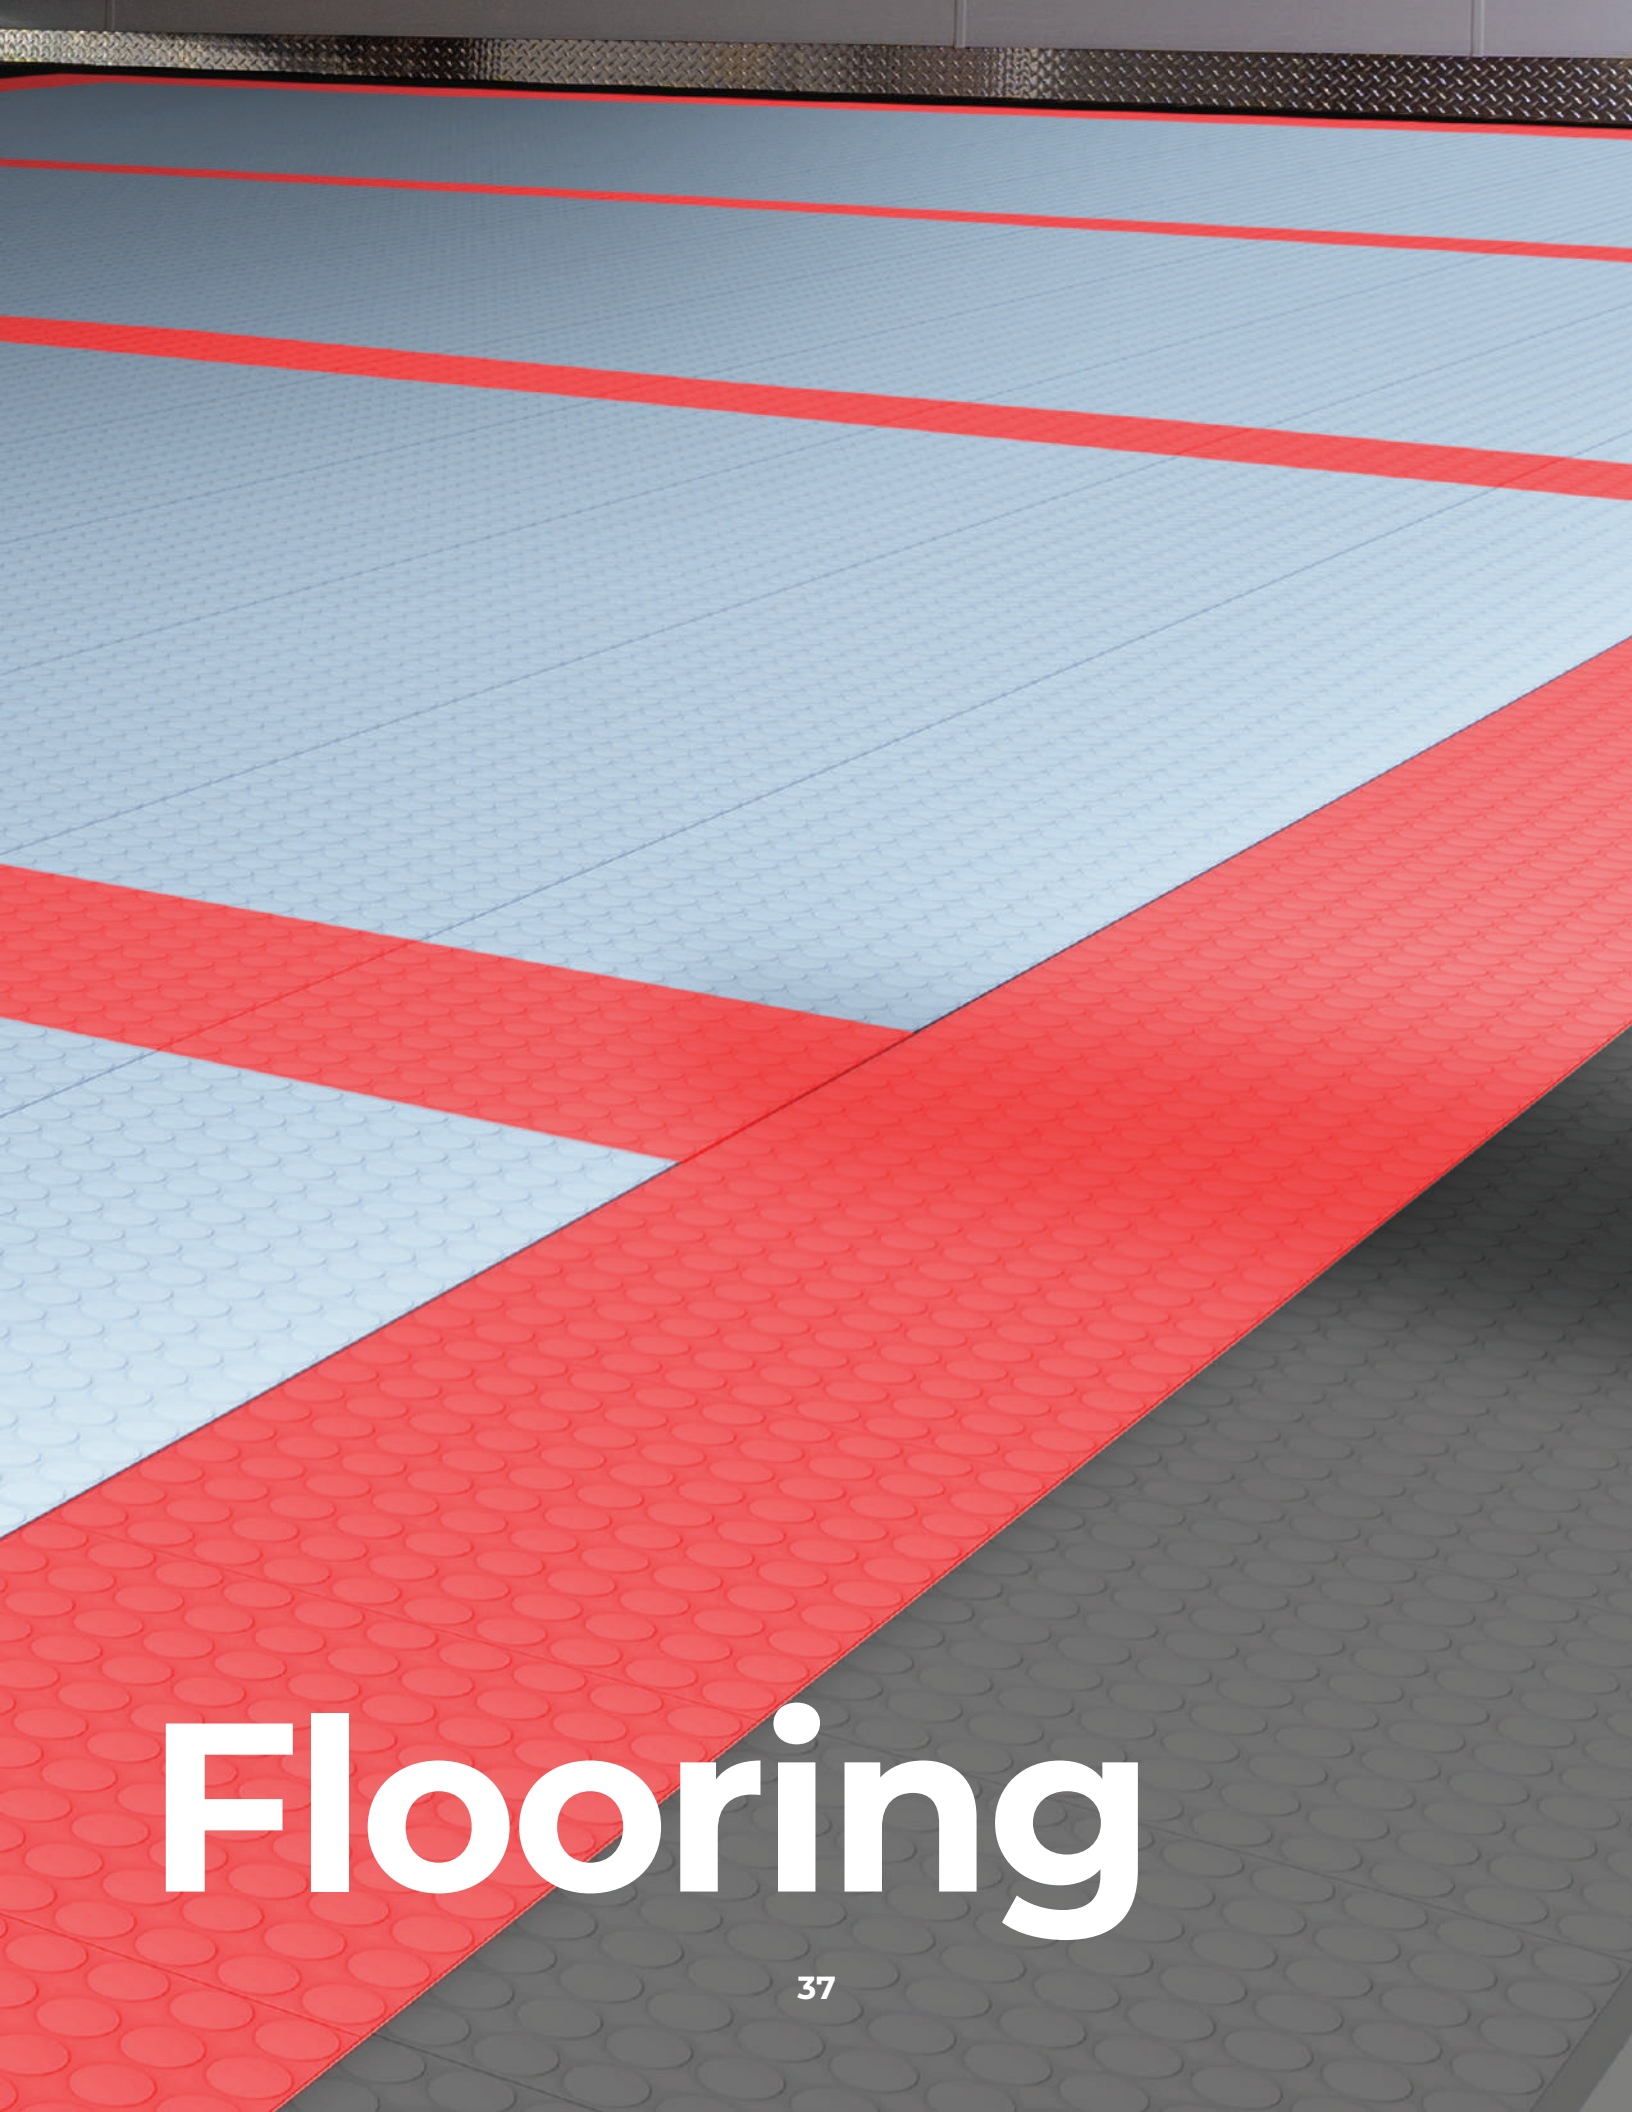

Note, handles are not attached to unit, and come as a separate set (as per one of the desired colors below).
