SLATWALL PANELS

GARAGE ROYALTY™

The CrownWall® System

CrownWall®

CrownWall® is our brand of PVC slatwall, the core of our business. Our unique patented system works by having each individual slatwall panel connect to each other. We are the only company to offer a wide range of different sized panels that are all compatible with each other. All of which allow for a wide range of benefits.

Strongest

- Strongest slatwall panels on the market

Light Weight

- Conveniently packed in a box
- Can be transported with most vehicles
- Easy to handle

Moisture Resistant

- Moisture resistant
- Mold resistant

Temperature Resistant

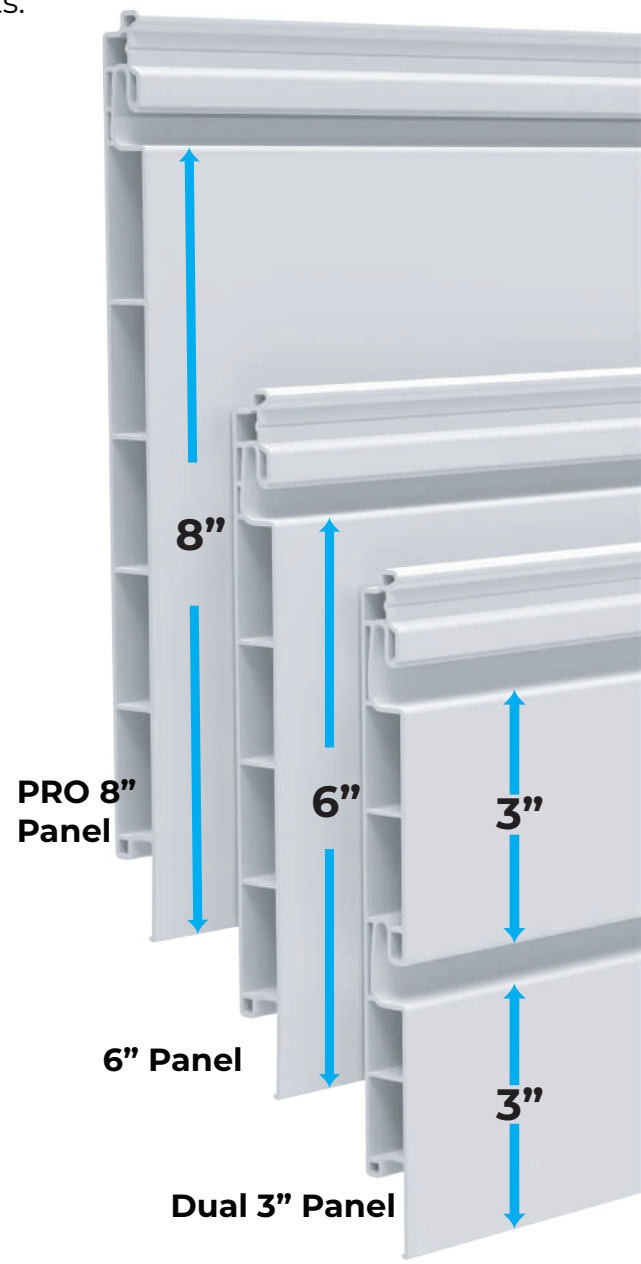
- Can withstand extreme temperatures
- Flame resistant

Strong Construction

- Full back eliminates warping
- Impact resistant

Easy and Secure Assembly

- Patented locking feature ensures level installation
- Hidden fasteners allow for a clean and continuous look when assembled



CrownWall®

6” SLATWALL PANEL

6” Slatwall Panel

The first panel in the lineup of CrownWall® Slatwall Panels. This panel is sold in a kit format that includes all of the necessary panels, trim,s, screws, and instructions to create either a complete slatwall panel section. Sold in either a 4’ x 4’ size or an 8’ x 4’ size panel kit.

Patented hidden screw placement supports 150 lbs per sq. ft.

Full back eliminates warping

Cavity promotes airflow and provides space for wiring

Rigid PVC withstands extreme climates

Patented locking feature ensures level installation

CrownWall®

DUAL 3" SLATWALL PANEL

Dual 3” Slatwall Panel

The CrownWall® Dual 3” Panel allows you to reclaim valuable square footage by maximizing usable wall space with it’s double 3” slat design. Allowing you to double the amount of accessories and storage options. This Panel can be used floor to ceiling or in conjunction with the 6“, 8”, or 12“ CrownWall® panels. It is also compatible with all CrownWall® accessories.

Patented hidden screw placement supports 150 lbs per sq. ft.

Full back eliminates warping

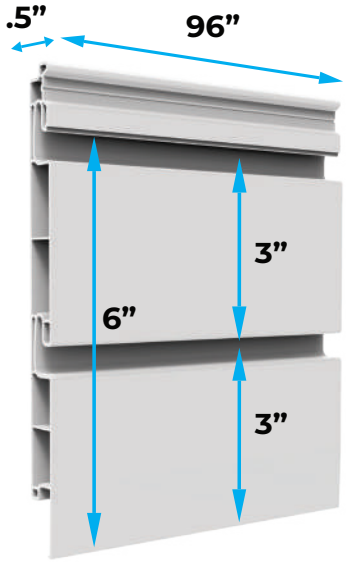
Cavity promotes airflow and provides space for wiring

Second slat wall groove allows for additional space for hanging items

Rigid PVC withstands extreme climates

Patented locking feature ensures level installation

Dual 3” Panel Bundles



In addition to the CrownWall® 6” slatwall panel, also being offered is the CrownWall® Dual 3“ panel. Both panels are compatible with each other, and can be installed together. This panel is perfect for organizing smaller items.

Specifications

- 6” Visible reveal when installed, with two 3” reveals per panel
- Sold in 8 foot lengths, bundles of 8 panels (32 sq. ft.)
- Compatible exclusively with CrownWall® Accessories
- Trims and screws sold separately
- Weight capacity of **150 lbs/per sq. ft.**

ACCESSORIES

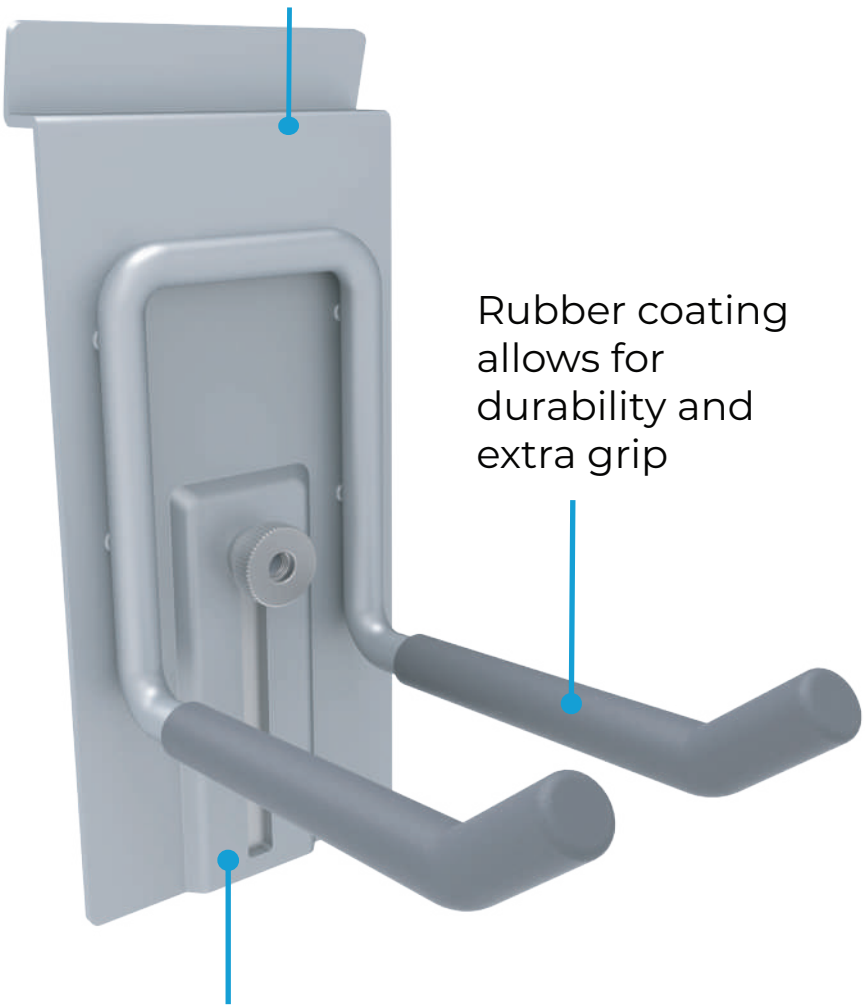
CrownWall®

HOOKS

Hook Anatomy

CrownWall® offers a wide range of accessories, all made from high grade steel. Our back plates have been engineered to disperse the workload throughout the wall so you can hang whatever you want wherever you want.

These patented accessories are compatible with all CrownWall® panels.



Locked into CrownWall® 6” panel

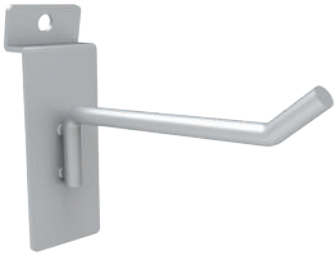
Locked into CrownWall® Dual 3” panel

Locked into CrownWall® PRO 8” panel

4” Single Hook (MHK4-V2)

The most universal hook! Versatile, yet robust. For use around the house or in retail stores. Hang tools, tape, bags, merchandise, cookware, pet supplies and much more!

Weight Capacity: 10 lbs / 5 kg
Dimensions: L 4.5” x W 1.25” x H 3.25”



Note: 4” single hook does not feature a rubber coating

4” Double Hook (DHK4-L)

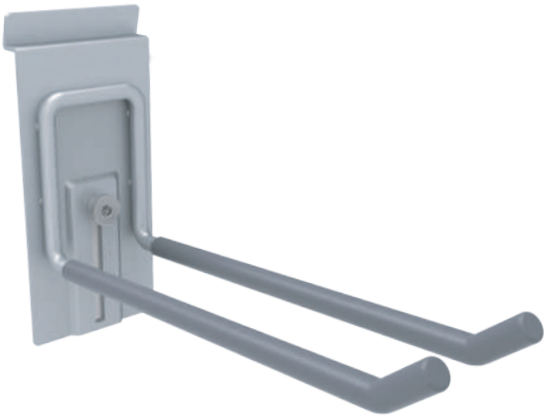
An exceptionally versatile hook. Great for tools such as brooms, shovels, bicycle pumps, weed eaters or even drills and tool bags!

Weight Capacity: 55 lbs / 25 kg
Dimensions: L 4.5” x W 2.75” x H 6.25”

8” Double Hook (DHK8-L)

Ideal for those extra bulky items. The extra long 8" pegs provide ample space to hang power tools, shop vacs, snow shovels, and more.

Weight Capacity: 55 lbs / 25 kg
Dimensions: L 8” x W 2.75” x H 6.25”



Small J-Hook (JHKS-L)

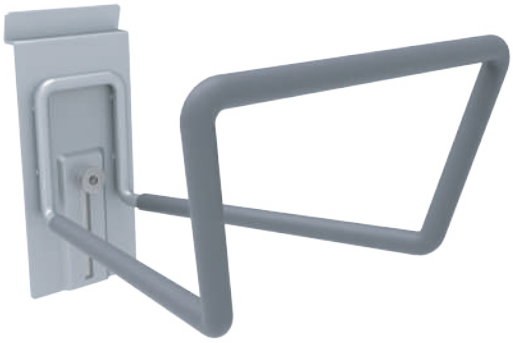
Great for items requiring a bit more grasp. The curved ends give extra support, making slipping impossible. Hang larger tools such as brooms, shovels, bicycle pumps, weed eaters, bags, and large power tools.

Weight Capacity: 55 lbs / 25 kg
Dimensions: L 3.25” x W 2.75” x H 6.25”

Loop Hook (LHK-L)

Originally designed for holding garden hoses, ropes or extension cords. The large mouth, upturned end and rubber coating eliminates knots and tangling.

Weight Capacity: 55 lbs / 25 kg
Dimensions: L 8” x W 6.5” x H 6.25”



Bike Hook (BIKEHK-L)

Make the most of your walls! This hook brings a quick and convenient storage option for your bicycle by mounting the bike vertically from it's front wheel. Usable with most types of bicycles. This accessory is also an excellent solution for organizing other items such as golf bags.

Weight Capacity: 55 lbs / 25 kg
Dimensions: L 5.5” x W 2.75” x H 6.25”

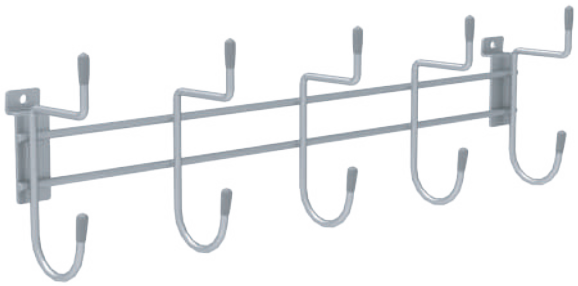
Bikes

Golf Bags

Coat Bracket (COATBR)

A must have for any mud room, closet, laundry room or work area. Ten pegs provide ample storage for any and all coats, jackets, uniforms or even hats or bags.

Weight Capacity: 20 lbs / 9 kg
Dimensions: L 3” x W 18” x H 5”



Metal Bin Hooks (1 pair) (BINHK)

Low profile and specially devised to clip onto recycling bins and other plastic totes with a lip. Other uses include hanging bags or small items. Sold as a pair.

Weight Capacity (per pair): 50 lbs / 23 kg
Dimensions (one hook): L 1” x W 1” x H 3”

Folding Bike Hook (FBIKERK-L)

The ultimate space saver. Keep your bicycle off the floor and easily accessible, no awkward reaching! When not in use the hook collapses neatly against the wall. The bicycle must have a horizontal beam in order to be used with this rack.

Weight Capacity: 55 lbs / 25 kg
Dimensions: L 10.25" x W 10.25" x H 6.25"

Kayak Big J Hooks (1 pair) (KAYAKHK-L)

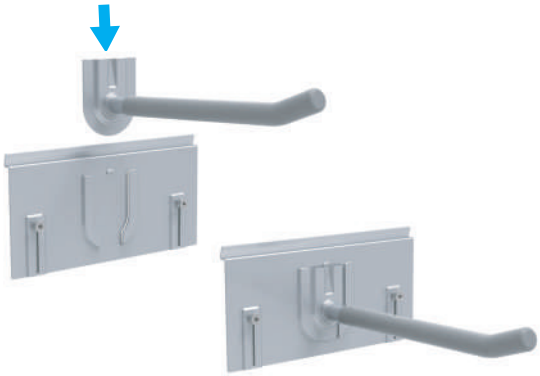
Maintain the pristine condition of your kayak with these padded hooks. The modular hooks can be placed at any height or distance apart to adapt to different sizes and models of kayaks. Also great for storing other items in the garage, such as wood, flooring, or other spare building supplies. When not in use the hooks collapse neatly against the wall.

Weight Capacity (per set): 150 lbs / 68 kg
Dimensions (one hook): L 21" x W 11.75" x H 6.25"

Tire Hook (4pack) (TIRE4HK)

The ideal solution for storing your seasonal tires, rims, or even to display your wheels. This set of 4 tire hooks features a collapsible hook that allows for ease of shipping.

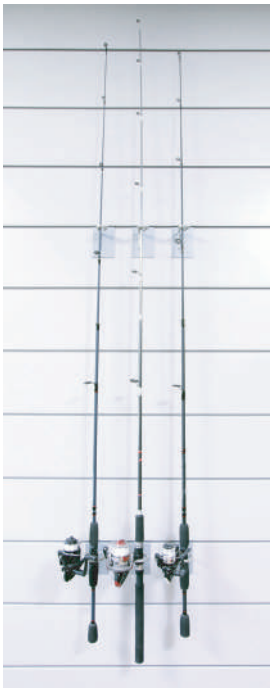
Per Hook
Weight Capacity: 65 lbs / 29 kg
Dimensions: L 14.5" x W 11.75" x H 6.25"



Fishing Rod Hooks (3 pack) (FISHHK3)

Uniquely designed to maintain upright position of fishing rods. Keep your fishing rods easily accessible and free of tangles, while the rubberized coating prevents scratches or damage. The two piece design ensures your equipment is secure. Accommodates up to 3 fishing rods.

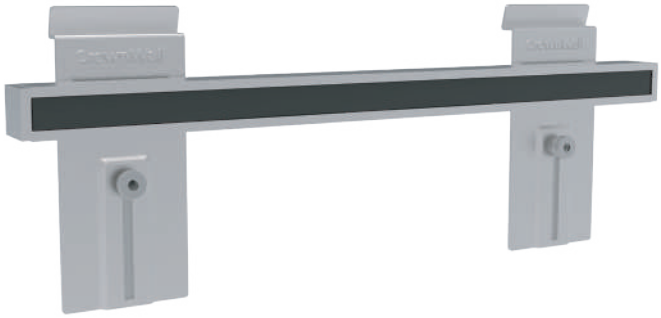
Weight Capacity (per set): 55 lbs / 25 kg
Dimensions: Top Piece- D 3" x W 2.75" x H 4.5",
Bottom Piece- D 4" x W 2.75" x H 4.5"



16” Magnetic Tool bar (TOOLBAR16)

Save counter and drawer space with this versatile tool bar. The solid, flat steel frame and strong magnetic force latches on and holds anything that is magnetic. Your screwdrivers, pliers, scissors, ratchets and knives will be in reach at all times.

Weight Capacity: 5 lbs / 2.5 kg
Dimensions: L 1.25” x W 16.5” x H 6.25”



Paper Towel Rack (TOWELRK-V2)

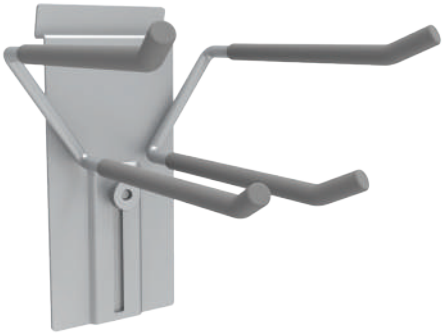
The perfect all-in-one supply station. The practical shelf accommodates a range of items such as glass cleaner, bottles, and sprays. Mount a paper towel roll, shop towels or various tapes on the dowel below.

Weight Capacity: 20 lbs / 9 kg
Dimensions: L 5” x W 16” x H 10”

Ski Hook (SKIHK)

Organize your skis and ski poles safely and conveniently with the CrownWall® Ski Hook. Each ski hook can hold one pair of skis in the middle prongs of the hook, and the poles can be hung from the outer prongs. A great way to organize your skis, keep them off the ground, and keep them safe!

Weight Capacity: 55lbs / 25kg
Dimensions: • L 6" x W 4.5" x H 6.25"



Golf Bag Organizer (GOLFBAGRK)

A great solution for organizing your golf bag and clubs. This golf bag holder will securely hold two standard golf bags, along with 2 individual clubs on either side (total of 4). The convenient vented shelf can comfortably hold two pairs of golf shoes. While the middle bracket allows for the bags to be secured to the wall with adjustable straps and can hold up to 4 individual golf balls. A must have for any golfer that wants to give their golf clubs a home!

Weight Capacity: 100lbs / 45.36kg each
Dimensions: D 15.5"x W 24" x H 36"

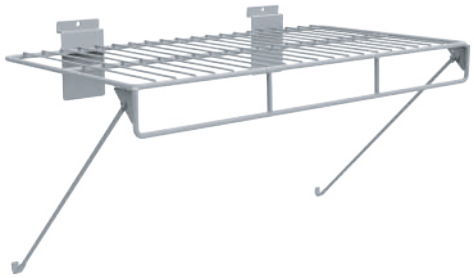
CrownWall®

SHELVES

Wire Shelf with Rail 24” x 12” (WSBKT2412-V2)

Lightweight and robust, this shelf is constructed with support arms for extra stability. An integrated rail provides the perfect place to hang clothing. Use in closets, laundry rooms, garages and more.

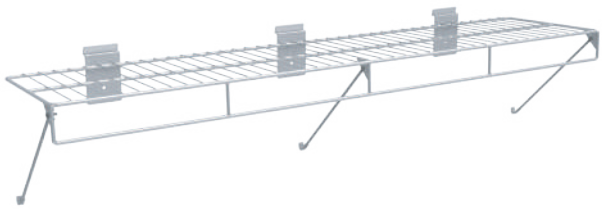
Weight Capacity: 55 lbs / 25 kg
Dimensions: L 12” x W 24” x H 5”



Wire Shelf with Rail 48” x 12” (WSBKT4812-V2)

Our largest wire shelf. Lightweight and robust, this shelf is constructed with support arms for extra stability. An integrated rail provides the perfect place to hang clothing. Use in closets, laundry rooms, garages and more.

Weight Capacity: 150 lbs / 68 kg
Dimensions: L 12” x W 48” x H 5”



Wire Shelf with Bracket 24” x 12” (WS2412-V2)

Solid brackets provide this practical wire shelf extra stability, while the open design eliminates any need for dusting. Storage ideas include paint tins, gas cans, cleaning supplies, car products and the like.

Weight Capacity: 55 lbs / 25 kg
Dimensions: L 12” x W 24” x H 5”

Shoe Rack 30” x 13.5” (WSSHOE)

A 30 degree angled slope prominently displays stored goods like helmets, hats, books and shoes. The vented design allows drip drying of wet or muddy footwear for ultimate shoe storage. This shelf can fit up to 3 pairs of shoes or boots securely with the integrated 2” lip.

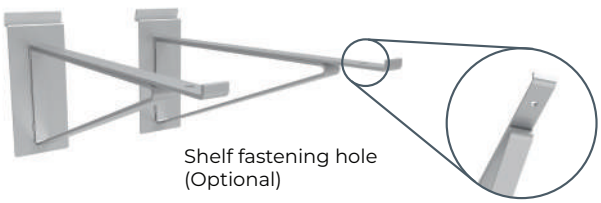
Weight Capacity: 55 lbs / 25 kg
Dimensions: L 13.5” x W 31” x H 9”

14” Shelf Bracket (1 pair) (SHELFBRKT)

This versatile shelf bracket is designed to accommodate any suitable shelf planks up to 14” in depth. Shelves can be placed on the bracket, with the option of fastening the shelf to the bracket from the bottom*. Sold in a set of two brackets.

Weight Capacity (per hook. True weight capacity depends on the material and type of plank used to make a shelf): 55 lbs / 25 kg
Dimensions: L 14.75” x W 2.75” x H 7”

**Shelving planks and any shelf fastening hardware not included. Shelf fastening screws should be of suitable length and not penetrate the shelf plank.*



Solid Metal Shelf 24” x 12” (MS2412)

This solid metal shelf is perfect for organizing different sized or awkward items. While providing a stylish look in any part of your home!

Weight Capacity: 55 lbs / 25 kg
Dimensions: L 12” x W 24” x H 5”

Solid Metal Shelf 48” x 12” (MS4812)

This larger format of solid metal shelf is great for organizing larger items up to 48”. While being stylish enough to be used in any part of the home!

Weight Capacity: 75 lbs / 34 kg
Dimensions: L 12” x W 48” x H 5”

Solid Metal Shoe Rack (MSSHOE)

This solid metal shoe rack is the perfect solution for organizing your footwear in a stylish manner. Comfortably holding 3 adult sized pairs of shoes, this solid metal shoe rack with it’s sleek black finish will compliment the CrownWall® Solid metal shelves (MS2412 and MS4812).

Weight Capacity: 55 lbs / 25 kg
Dimensions: • D 14" x W 31" x H 6"

CrownWall®

BASKETS

CrownWall®

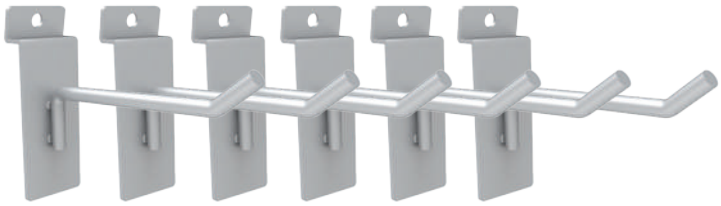
ACCESSORY KITS

10 Piece Hook Kit (CW10-K)

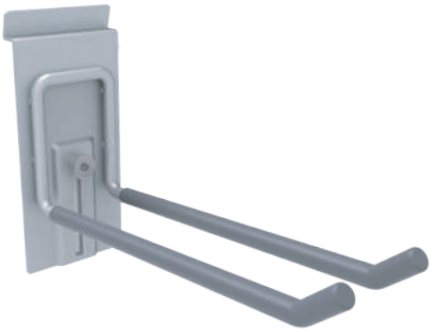
An excellent assortment of hooks to help get you started. High grade steel back plates disperse the workload throughout the wall. Empowering you to hang whatever you want, wherever you want.

Panel kit and Items on accessories not included

Included in the Kit



6 x 4” Single Hook



1 x 8” Double Hook

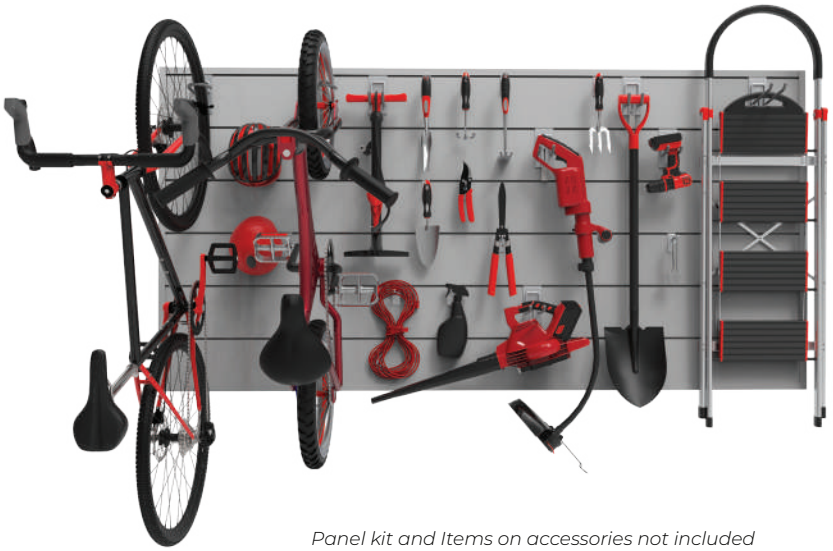
1 x Bike Hook

1 x 4” Double Hook

1 x Small J Hook

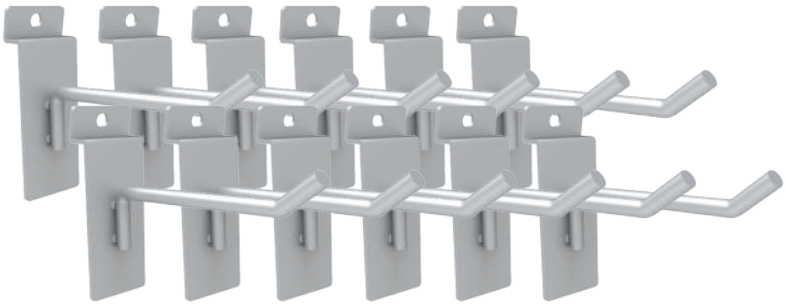
20 Piece Hook Kit (CW20-K)

Must have kit comprised of a wide selection of our most versatile hooks. High grade steel back plates disperse the workload throughout the wall. Hang whatever you want, wherever you want.

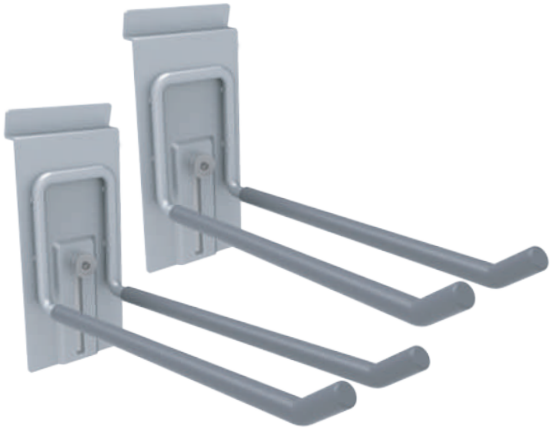


Panel kit and Items on accessories not included

Included in the Kit



12 x 4” Single Hook



2 x 8” Double Hook

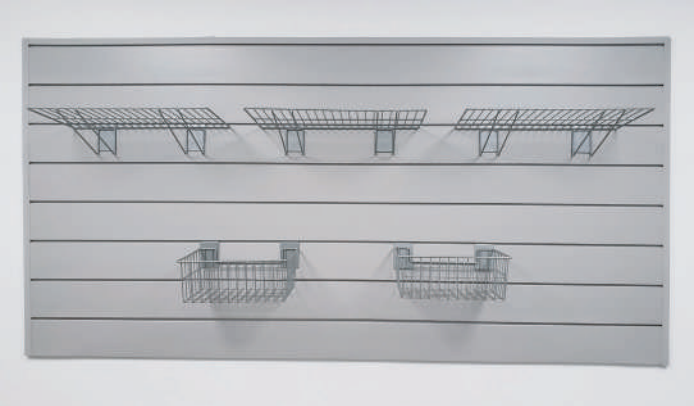
2 x Bike Hook

2 x 4” Double Hook

2 x Small J Hook

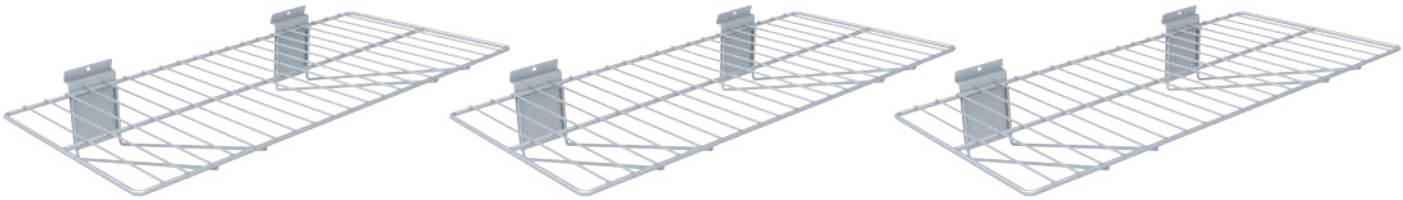
5 Piece Shelf and Basket Kit (CW5SB-K)

Wire shelf and basket value pack for all your difficult to hang items. Lightweight and high capacity steel with a sleek powder-coated finish. An exceptional choice for giving your closet, laundry room or garage a face lift.

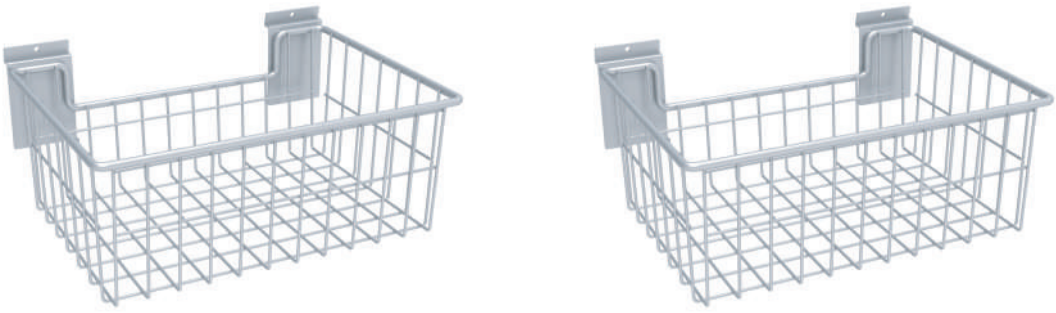


Panel kit and Items on accessories not included

Included in the Kit



3 x Wire Bracket Shelf 24” X 12”



2 x Medium Wire Basket 15" x 11" x 8"

16 Piece Sports Kit (CW16SPRT-K)

A game changing kit for any outdoorsy type. The fishing rod hooks keep your fishing rods easily accessible and free of tangles. Vertically hang up to two bicycles with the included bike hooks. The small J hooks and 4-inch double hooks make quick work of camping gear or any other athletic equipment. Finally, the 4-inch hooks take care of any left over items.

Panels and Items on accessories not included

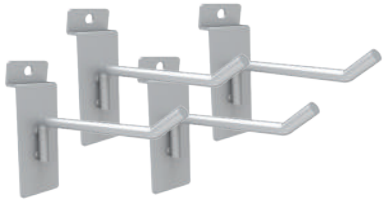
Included in the Kit

2 x 4” Double Hook

2 x Small J Hook

1 x Fishing Rod Holder (3 Pack)

2 x Bike Hook



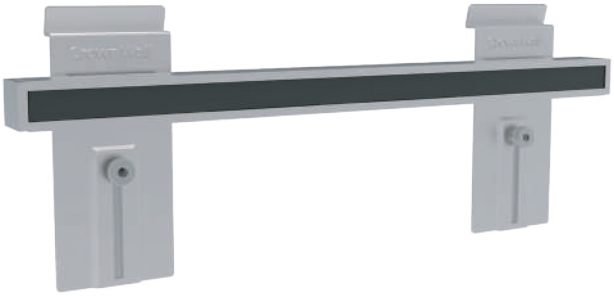
4 x 4” Single Hook

10 Piece Organizing Kit (CW10ORG2-K)

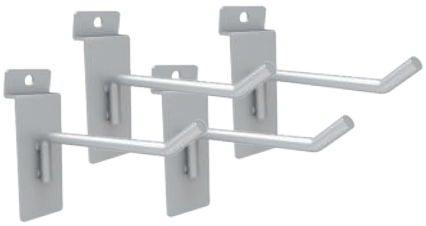
The handy man's dream. This combination of accessories has been devised for all-encompassing accessibility. The shelf and paper towel holder accommodates a range of cleaning products, oil jugs and sprays, while the lower dowel handles paper towels, shop towels or various tapes. Your frequently used tools are always ready to go thanks to the magnetic tool holder. The small plastic bins keep your fasteners or other small items in check. Finally, the 4-inch hooks take care of anything left over.

Panels and Items on accessories not included

Included in the Kit



1 x 16” Magnetic Tool Bar



4 x 4” Single Hook

1 x Paper Towel Rack

4 x Small Plastic Bin

12 Piece Plastic Bin Kit (CW12BIN-K)

Our storage bin sampler pack, offering a multitude of storage possibilities. Solid bottoms mean any mess is contained inside the bin, which is easily cleaned.

Panels and Items on accessories not included

Included in the Kit

10 x Small Plastic Bin

2 x Large Plastic Bin

CrownWall®

OVERHEAD STORAGE

2’ x 4’ Wall Rack (CW-WALLRK)

The CrownWall® Wall Rack is the perfect solution for maximizing storage by mounting to the wall.

When properly anchored to a wall, this unit is capable of a 600 lbs weight capacity!

Multiple units can be connected together as well to create continuous storage.

The CrownWall® Wall Rack is constructed of steel, and comes in a durable black powder coated finish.

Product Image	Product Name	Product Code	Weight Capacity	Product Dimensions
	Wall Rack	CW-WALLRK	600 lbs (272 kg) evenly distributed	
2’ x 4’ Wall Rack (CW-WALLRK)

Inverted Configuration

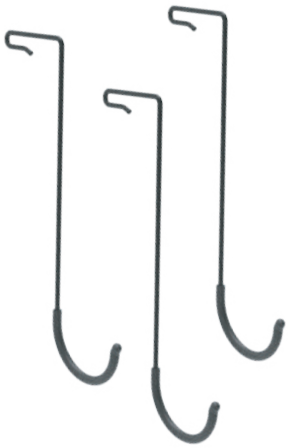
Easily install the unit in the inverted position allowing for more space below the unit for storage. Use the supplied hooks for hanging various items.

Tire Storage Configuration

By simply removing the mesh decks, you can easily use the unit for tire and rim storage.

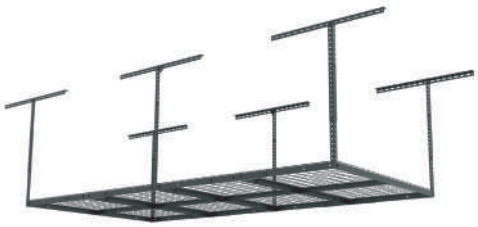
Included Accessories

Each Unit will come with a set of hooks, a 12” hook and a 6” hook, three pieces of each. Ideal for hanging bikes, golf bags, ladders, and more!



4’ x 8’ Overhead Storage Rack (CW-OR48)

The perfect way to further maximize the space in your garage. The 4’ x 8’ Overhead Storage Rack from CrownWall® is easy to install and can hold up to 600 lbs! This 4’ x 8’ unit can be installed on its own, or in a series of multiple units to accommodate any size of garage.



The 4’ x 8’ Overhead Storage Rack is constructed of steel, and comes in a durable black powder coated finish.

Product Image	Product Name	Product Code	Weight Capacity	Product Dimensions
