Stainless Steel

RANGE RAS-SN-36

ZLINE's proprietary DuraSnow® Stainless Steel is a non-directional finish with a deeper metallic gray hue that is more rust, scratch, and fingerprint-resistant than traditional stainless steel. Created to combat the ongoing problem of appliance smudging, this industry-leading finish elevates your kitchen's potential.

From ranges to dishwasher panels to range hoods and beyond, outfit your entire kitchen suite with the ZLINE DuraSnow® Collection.

DISHWASHERS

Handle your kitchen's toughest challenges in style with triple-rack Monument and Tallac Dishwashers that can be custom fit in any home design.

Hidden Controls

Cycle through multiple wash-and-dry options with concealed top panels that hide controls during operation for a modern and sleek look.

DuraWash® Technology

Monument Dishwashers boast a multi-motion system with simultaneous clockwise and vertical spinning, allowing a powerful clean from multiple angles throughout the cycle.

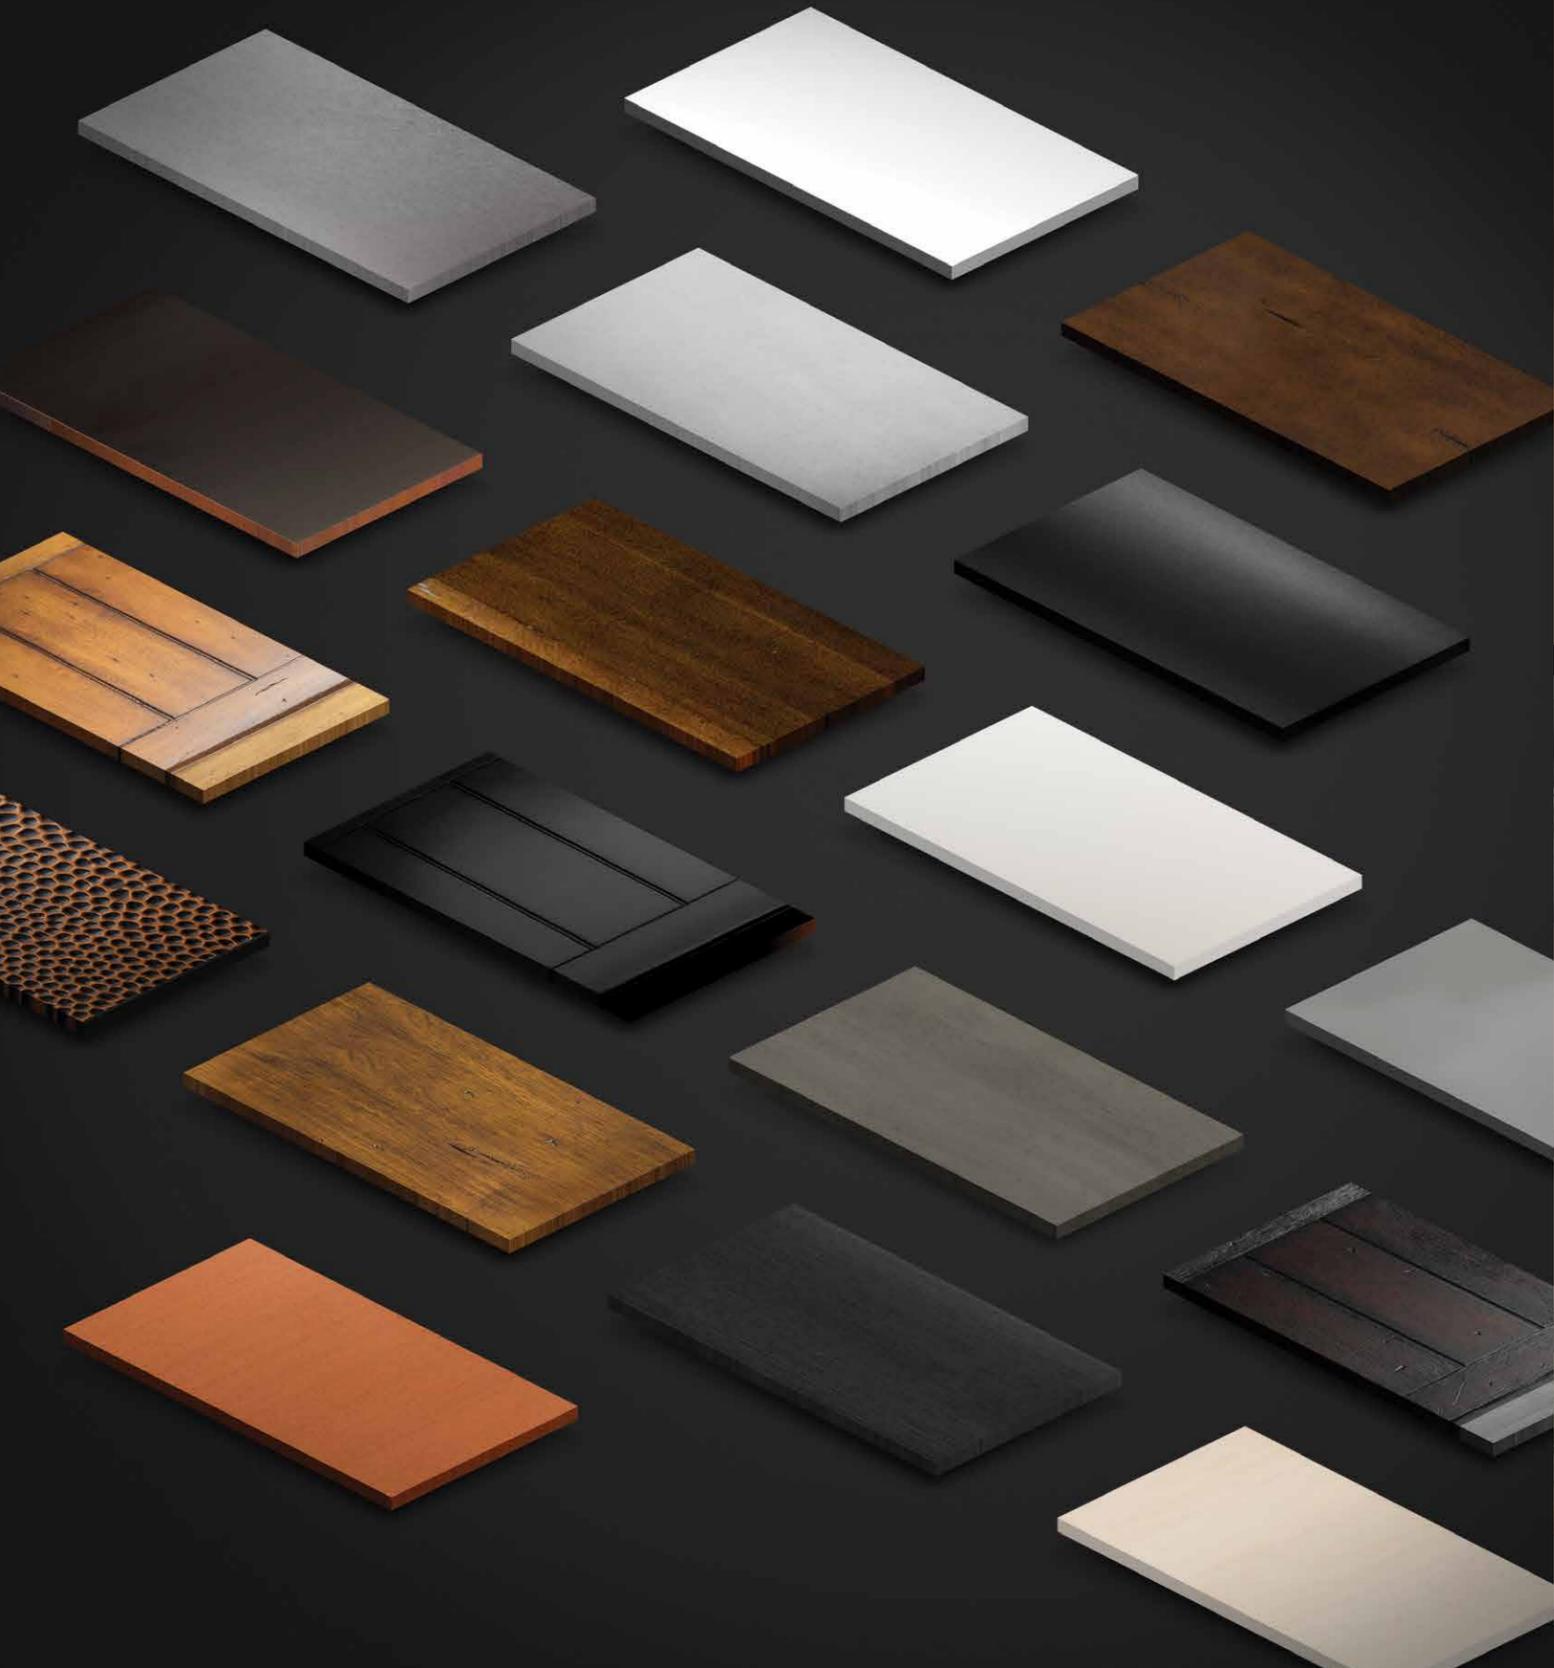

Optimal Results

Tallac Dishwashers apply an auto-sensing smart wash system to help limit water usage to an energy-efficient 3.2 gallons per load.

DESIGNER FINISHES

From handcrafted wood to vibrant glossy colors to elegant copper, choose from countless interchangeable finishes across select appliances.
